#### WASHINGTON HOPES FOR AN ADJUSTMENT BUT DOES NOT STOP WAR PREPARATIONS

Dictator's Formal Acceptance of "Good Offices" Will Be Placed Before the South American Diplomats Today.

#### AMERICANS CONTINUE TO FLEE FROM MEXICO

Efforts Being Made to Arrange for Departure of All Americans From Mexico City—Border Reports Encouraging.

Washington, April 26.—Spanish Ambassador Riano announced late tonight that he had received private advices from Mexico City stating that General Huerta had accepted the offer of Argentina, Brazil and Chile to use their good offices to bring about an amicable settlement of the difficulty between the United States and Mexico.

This information, though unofficial, was accepted as authentic by the ambassador, who expects to be prepared to place General Huerta's formal acceptance before the representatives of the three South American countries tomorrow.

#### FORMAL ACCEPTANCE NOT YET AT HAND.

The interests of the Huerta government in the United States were taken over by the Spanish embassy when Charge Alvaro left Washington. Ambassador Riano received the offer of good offices from the three peace envoys last night, after the offer had been accepted by President Wilson. It was cabled immediately to the Spanish minister at Mexico City and by him presented to President Huerta. When the formal acceptance from Mexico City is in hand the South American diplomats will be ready to proceed with their plan, no indication of the nature of which as yet has been given. It generally has been understood here, however, that the peace envoys expect to deal directly with the situation created by the Tampico incident and other offenses against the honor and dignity of the United States, hoping to bring about a peaceful settlement.

Administration officials appeared to be much gratified at the prospect of having the proposals of the great South American republics offered to General Huerta. Until the nature of the plan is known no officer of the administration will make any comment.

#### HOPE FOR PEACE, READY FOR WAR.

Hope for peace—yet no slackening in preparations for war—was the spirit of today's developments in the Mexican crisis.

President Wilson, hopeful, though not confident, that war may be averted through the efforts of Argentina, Brazil and Chile, conferred with Secretary Garrison, approving orders for the joint jurisdiction of the army and navy over Vera Cruz and vicinity, while Brigadier General Funston, who will be in command there, arrives tomorrow to reinforce Admiral Fletcher's forces.

Tension over the one phase of the situation, which may at any moment upset peace plans—the entry of Americans in Mexico City and other interior points—was partially relieved by the announcement of Secretary of State Garrison, that through the British embassy here the Huerta officials and Admiral Fletcher had arranged for the safe departure of Americans from the Mexican capital and the evacuation of Mexicans from Vera Cruz. Thomas H. Hoehler, first secretary of the British legation in Mexico City, taking a trainload of Mexicans from Vera Cruz to Mexico City, informed General Huerta that the American forces were not restraining Mexicans from leaving the city and was assured that Americans consequently would be allowed to leave the capital as they pleased.

Over a Thousand Refugees Reach Galveston, and Tell Stories of Privation and Insult to Flag.

Galveston, Texas, April 26.—The battleship Connecticut and torpedo boat convoy Dixie came into port today bringing the last of the American refugees from Tampico and nearby districts.

"There may be five or six Americans still in Tampico, but they would not leave," said Captain John J. Knapp, of the Connecticut, just after the battleship dropped anchor. There are 495 refugees on the Connecticut and 578 on the Dixie. On board the steamer Esperanza, that came in from Tampico last night, there were 577 Americans who had fled from Mexico. There are about 2,100 American refugees held here in quarantine on the ships, but their release is expected either tomorrow or Tuesday.

#### Anti-American Riot.

The story of the anti-American riot in Tampico last Tuesday night, when German officers and sailors went to the rescue of the American refugees and escorted over twenty women and children aboard the German cruiser Dresden, was told by refugees on their arrival today. Officers of the battleship Connecticut said that only for the assistance of the German sailors there would have been undoubtedly bloodshed. Tuesday morning the United

Disorder and Unruliness in Any Form by the Mexicans to Receive Swift and Severe Punishment.

Vera Cruz, April 26.—Definite instructions from Rear Admiral Badger, commander in chief of the Atlantic fleet, to all American non-combatants to leave Vera Cruz by the steamer Mexico were posted at the consulate and other conspicuous places today.

The order stated, in terms that could not be misunderstood, that all must be aboard the ship by 4 o'clock this afternoon. Many objected to the order and especially rebellious were the women whose husbands are still in the interior. Knobs of these held indignation meetings, and several expressed their intention of not complying, short of actual compulsion.

The explanation was offered that food supplies and housing accommodations rapidly were becoming serious problems and there was danger of disease through overcrowded conditions.

#### Americans Are Arrested And Their Property Looted In the Mexican Capital

Officers of American Club Seized for Refusing to Contribute Money to Huerta—Many Americans Are Taken From Trains and Confined. Huerta Encourages Mobbing of Americans.

Vera Cruz, April 26.—According to word received here from Mexico City, K. M. Van Zandt, the president, and all the trustees and officers of the American club there are under arrest as are all officials of the Mercantile Banking company and the Mexico City Banking company. The officers of the banking institution were arrested because of their refusal to contribute money to the Mexican government.

Among those detained are M. C. H. Agramonte, a civil war general; W. L. Vail, J. B. Buchanan, William A. Parker, C. G. Ray, E. Marr and Charles Yaeger, the club manager, who also is a veteran of the American civil war.

The American grocery was burned and an attempt made to fire the American club. Three other American stores were looted. Hand-bills urging the populace to burn American business houses are being circulated in the capital.

A number of American women in the capital, who otherwise might have come to Vera Cruz on the refugee train, refused to leave their husbands. The order against leaving Mexico City appears not to have applied to them.

The government appears to be encouraging the demonstrations against Americans, although the burning and looting is held in check by the police.

#### AMERICAN CONSUL THROWN INTO JAIL BY HUERTA FORCES

Consul General Hanna Wires Washington That He Was Held Prisoner for Two Days at Monterey.

Washington, April 26.—President Wilson and Secretary Bryan were greatly incensed tonight at receiving a dispatch from Consul General Philip C. Hanna, at Monterey, Mexico, announcing that he had been subjected to insults and indignities by Mexican federal officers and kept a prisoner in the government palace from April 22 until the constitutional forces captured the town two days later.

The consul reported that mobs led by federal officials tore down the American flags in the city, trampled them and then burned them up in the streets.

On the arrival of the constitutional forces Mr. Hanna was released and treated with marked consideration. He said the rebel officers made speeches in front of the state house giving assurances of full protection to all foreigners and non-combatants.

Secretary Bryan went to the white house and conferred with the president when the consul general's report reached the state department.

#### CONSUL'S STORY OF HIS ARREST.

Consul Hanna's telegram follows: "Monterey, Mexico, April 26, 1914. Secretary of State, Washington, D. C.: April 24, 1 p. m.—On the 21st of April a federal military officer, Captain Alvarez del Castillo, evidently instructed by the federal military commander to tear down all American flags, arrived in this consulate general with a street mob which he had gathered, about 4 o'clock in the afternoon, and pounded in the door and demanded that the American flag over this consulate general be lowered or he would shoot it down. The other federal forces proceeded to tear down all American flags, standing on them, making speeches throughout the city of Monterey, burning some of them and tearing them up and leaving them piled in the middle of the streets.

#### AMERICANS SEIZED AND IMPRISONED.

More than thirty Americans—men, women and children—trying to leave the country were taken from a train at Aguas Calientes and imprisoned in the smelter there, according to advices received here today. Among them was Gaston Schmutz, United States consul at Aguas Calientes.

Some of the others are Miss Kay, matron at Aguas Calientes hotel; Mr. and Mrs. A. B. Culver, Mr. and Mrs. F. H. Peyton and their two children, Mrs. H. Riehlmann and four children, Mrs. Schmutz, wife of the American consul; C. L. Baker, general manager of the American Smelting and Refining company; E. E. Hearn, H. D. Wilde, Mr. and Mrs. H. H. Haglund and their daughter, F. H. McAnley, Mr. Patridge, C. F. Lucas, J. I. Henderson, Mrs. A. B. Emery, Walter Eikel, A. W. Koch, H. Hendricksen, Mr. Kenyon, Mr. and Mrs. F. H. Lee, H. H. Hollingsworth and wife, P. W. Jones, Mr. Norrell.

A drunken mob at Emancipation entered the train and ordered all Americans out of the cars, declaring they were to be killed. While parlaying with drunken men a small party of Mexican soldiers appeared. Their officer protested against the summary action of the Americans and had them taken to Aguas Calientes, where American Consul Schmutz, Railway Superintendent Thomas and a number of railway employees were added to the number of captives, all of whom were locked in the smelter.

Another party of American refugees fleeing from a town in the state of Aguas Calientes were driven from the train and marooned at the station of Trilind.

handbills call on the populace to destroy the concerns listed.

Some of the American stores whose names appeared in the circular already have been looted.

Another list being distributed is that of Mexicans managing some of the American stores. It is declared these men must be killed because of their identification with foreign interests.

The newspapers of the capital are publishing stories to the effect that the American forces at Vera Cruz are slaughtering women and children, and the papers call on Mexicans in Mexico City to retaliate in a similar manner.

## WHOPPING STORIES TOLD BY HUERTA.

Other stories printed by the newspapers say that France, Germany, Great Britain and Spain have declared war against the United States and that American battleships have sunk several ships flying the flags of those nations. Mexicans also are told that the Mexican army has invaded the United States and that the negroes in the southern states have risen and are assaulting the Mexicans.

Efforts to repair the cable line between Vera Cruz and the capital, which is cut a short distance from Vera Cruz, developed the fact that the federalists have an outpost only eight miles away. Incidentally the attempt almost cost the life of the line man, Mendoza.

The federalists captured the line man and stood him up for execution, but on assuring his captors of his loyalty to the Mexicans he induced them to release him. Returning here Mendoza revealed the presence of the Mexican force to the American officials. Mendoza is an employee of the Mexican Cable Company.

## HUERTA CONSIDERS HIS COUNTRY AT WAR.

Proof that General Huerta regards his country at war with the United States is contained in the note sent by Foreign Minister Rojas to Nelson O'Shaughnessy ordering the American charge d'affaires from the country. The note says:

"According to international law, acts of the armed forces of the United States, which I do not fail to quote in this note, out of deference to the fact that your honor personally has observed toward the Mexican people and

government, a most strictly correct conduct so far as has been possible to you in your character as a representative of a government with which serious difficulties as those existing here are arisen, must be considered an initiation of war against Mexico."

## VERA CRUZ PLACED UNDER MARTIAL LAW

Continued From Page One.

It was estimated that this might be the last opportunity for some time for refugees to reach the United States.

Counsel Canada, replying to anxious questions of those caught short of funds, gave assurances that the United States and been caring for such persons at the ports where they were landed and was providing for them.

Vera Cruz, April 26.—Vera Cruz tonight is under martial law. Rear Admiral Frank P. Fiske, commanding the American naval forces on shore, today issued a proclamation to this effect and the last opportunity Mexicans had for handling their own affairs in Vera Cruz under their own laws disappeared.

Admiral Fletcher and his staff determined there should be no more quibbling with the Mexican officials regarding the form of some document, and until further notice residents of this port will live and be judged by military law. The word has gone forth that disorder and unwillingness in any form shall receive swift and severe punishment.

This proclamation makes Rear Admiral Fletcher absolute ruler ashore. It is believed the martial law proclamation will operate the way for more of the city and federal employees to leave the city, thus restoring the local government functions. Mexicans point out that these men now will be in a position to explain to the United States the existing government at the capital that under martial law they felt obliged to return to their work.

All Arms Are Taken. An order that all arms be turned in by residents by noon today brought out a large number of small arms and stacks of shells.

The city was quiet last night and there was even a single shot reported to the division headquarters.

Many Mexican officials have reported their willingness to resume their duties of office under the new government. The American officials announced to date to assist in the government of the municipal government.

Gov. Ammons Admits He Is Powerless, and Requests the Aid of the Federal Government.

Washington, April 26.—President Wilson probably will send federal troops into Colorado tomorrow to end the coal fields. Colorado representatives in congress, after conference with the president, said today tonight that they expected the troops to be ordered out in the morning.

Representative Foster doubted the advisability of sending federal troops to the scene of the bloody industrial conflict. The congressmen said before the president may details from the strike region showing that the conditions there, as few of the members expressed it, "are horrible."

Chairman Foster, following the conference, announced that the house committee, which recently returned from a preliminary visit to the coal fields, would return there as soon as possible.

The next morning about 10 o'clock a police lieutenant arrived with a force of men and advised me that he had been instructed to search the building. ## CHASE CITY KIDNAPERS PREVENTS MARRIAGE

Police Seek Boy and Girl on Complaint From Carterville.

Continued From Page One.

The truth of the old adage, that the course of true love never runs smooth, was proven last night by the sad predicament of a couple from Carterville.

According to the story told the Atlanta police by a deputy sheriff from Carterville, J. B. Allen, of Atlanta, paid a visit to the Bartow county city, and while there persuaded Miss Lucy Walton, 15 years old, the daughter of a prominent citizen, to elope.

They left for Atlanta last night and within a short time after they reached there the police were notified that the couple had been kidnapped.

The police followed them so closely that they were unable to secure a license and marry. They were almost caught, but managed to jump into an auto and escape before the policeman could get his motorcycle in good running order.

At 1 o'clock this morning they were still at large and seeking a preacher. The police followed them so closely that they were unable to secure a license and marry.

## GIRL DAILY HURT BY MACHINE GUN

Disastrous Results Follow Crash of Automobile and Motorcycle on the Roswell Road.

Continued From Page One.

A motorcycle on a return trip from Roswell, driven by Holt Walker, of 388 Capitol avenue, and with Miss Cyrene Stender, 15 years old, of 317 Capitol avenue, riding on the rear, crashed into the seven-passenger touring car of H. A. Wason, of No. 76 St. Charles avenue, driven by Mr. Wason, at 5 o'clock Sunday afternoon, 4 miles this side of Roswell.

The young man and girl on the motorcycle were thrown 10 feet into the ditch.

Miss Rutherford received a broken leg and arm, and was slightly cut behind the left ear. She walked unaided, with a slight injury, spraining his left ankle. The motorcycle was demolished by the terrific impact when it struck the left tender of the touring car.

Greenberg's ambulance rushed to the scene, and hurried the young couple to the hospital.

They were taken to their home on Capitol avenue, but no serious injuries were reported. The condition that she was later removed to the Georgia hospital, where she was placed upon the operating table for several hours. Her physical report her condition as serious, and state that she received a terrific shock to her nerves.

Young Walker declared that the blame of the accident lies upon Mrs. Wason. He stated that a narrow road from the side of the road for some distance.

Mr. Wason stated that his car was practically at a standstill, when the motorcycle dashed into them. He said that a car in front of his had stopped for some unknown reason, and that he had had to slow down, and turned to the left to pass the car. He believed the motorcycle driver was running his machine at the rate of 35 miles an hour, and that he ran into the left tender of his car.

Mr. Walker stated that he had put Mrs. Wason in a narrow road, and would insist upon a base being made against Mrs. Wason for reckless driving.

**"All the Boys Are Dead  
Anxious to Go," Says Col.  
Hall—Artillery to Enlist  
Every Man.**

Although there were no actual salismans among the men of the Fifth regiment yesterday, it is understood that more than 200 have declared that they will go to the front the moment the call comes from the war department at Washington. Colonel Orville H. Hall, commanding the Fifth, stated last night that the reason there was no salismans with the boys was because of it being Sunday and the likelihood of a question being raised.

However, there was an air of activity about the camp, and the cheering from the expressions and comment among the men and officers Atlanta's crack regiment will muster almost up to the complement of the army. The Sam needs the services of the local fighters.

**Equipment Inspected.**  
Captain Don Wynne, staff officer, spoke to the men and inspected the equipment. At indoor target practice seventeen men qualified.

In the war situation, Colonel Hall said:

"Georgia will be one of the first states to be represented among the volunteer regiments on the field if I can get things shaped up. And the volunteers will be needed in every case where officers have approached men for enlistment purposes."

"I have put the proposition squarely before the board of directors of the Georgia National Guard and they are anxious to be able to state that we won't have any trouble enlisting the men of the volunteer regiments if officers are commissioned."

According to Colonel Hall, the Fifth Cavalry must have five head of mules and forty-five horses.

**Full Ambulance Corps.**  
The full ambulance corp will be mustered in under Surgeon Major A. H. Lindgren and the dental band under Drum Major Ward.  
In the event the Fifth is ordered to mobilize, the commissioned officers will be: first lieutenant, Colonel, \$4,000 per annum; lieutenant colonel, \$3,000; major, \$3,000; captains, \$2,400; first lieutenant, \$2,000, and second lieutenant, \$1,700.  
The commissioned officers will be required to furnish their own mounts, and their own horses.  
At a meeting of officers and men of the Atlanta Artillery, company D, at which more than 150 men and officers were present, it was decided that in the event the call to arms is sounded the company will enlist every man. The

Will Go to Mexico.

News reached Atlanta Saturday to the effect that First Lieutenant John H. Henley, of Atlanta, assigned to the United States Marine corps, stationed at Port Royal, S. C., is expecting orders to return to Mexico. The message was received in Atlanta by United States District Attorney Henley, father of the young officer.

R. J. Barry, local post office inspector in Atlanta for many years, is expected to receive orders to report at Vera Cruz to take up his duties as post-
